

# Computer Safety

TOPICS: Making Friends Online and What I've Learnt - *Suggested for Year 3*

We have chosen to deliver this topic in year(s):

---

## Year Intent

In Year 3, children broaden their understanding of how to stay safe when using technology by exploring potential risks that can arise when communicating online.

They learn to recognise possible dangers, including the risks of talking to strangers in online spaces, and consider the consequences of unsafe choices.

Pupils also explore the positives and negatives of using technology and develop their understanding of safe and risky behaviour online before progressing to more complex online safety topics.

## Ask me a question!

**If you are worried or unsure about something you see online, what could you do? Who could you speak to?**

**If you receive a message online from someone you do not know, what could you do?**

**If someone was worried about something they had seen online, how could you help them?**
