

# Fire Safety

TOPICS: Texting Whilst Driving and What I've Learnt - *Suggested for Year 3*

We have chosen to deliver this topic in year(s):

---

## Year Intent

In Year 3, children broaden their understanding of fire safety by exploring how their actions and choices can affect the safety of others.

They learn to recognise situations where behaviour may create risk, including how drivers can become distracted, and consider ways they can help keep people safe. Pupils develop their understanding of the difference between safe and risky choices.

Through discussion and activities, they consolidate their knowledge before progressing to first aid topics.
