

# Relationships

TOPICS: Conception and Summative Assessment - *Suggested for Year 6*

We have chosen to deliver this topic in year(s):

---

## Year Intent

In Year 6, children consolidate and extend their understanding of respectful and healthy relationships as they prepare for greater independence. They explore how relationships may change as people grow and recognise behaviours that support positive interactions.

Pupils evaluate situations that may affect relationships and develop strategies to respond responsibly and seek support when needed. Where schools choose to deliver sex education, pupils will also learn about human reproduction and how conception occurs.

## Curriculum Links

### Statutory RSHE Links

Developing bodies; Non-statutory Sex Education; Caring friendships; Respectful, kind relationships

## Ask me a question!

**Can you name at least three parts of the male reproductive system?**

**Can you name at least three parts of the female reproductive system?**

**What is the legal age of consent to have sex?**

**Can you talk about the different stages of pregnancy?**

## Knowledge & Skills Progression

### Conception - Pupils should...

- explain the terms 'conception' and 'reproduction'
- describe the function of the female and male reproductive systems
- identify the various ways adults can have a child
- explore various different stages of pregnancy
- understand the laws around consent

### What I've Learnt - Pupils can...

- confidently demonstrate and justify behaviours that support positive, respectful and healthy relationships
- evaluate situations and respond responsibly when relationships or interactions may cause upset, discomfort or harm
- clearly explain and justify the difference between healthy and unhealthy relationship behaviours
- take increasing responsibility for maintaining respectful relationships and supporting the wellbeing of themselves and others

## I will learn the following new words/phrases:

<b>Conception</b>	The process of conceiving a baby.
<b>Reproduction</b>	The process by which living things create young or offspring.
<b>Consent</b>	To express willingness or approval.
<b>Conceived</b>	The fertilising of an egg by a sperm; beginning of pregnancy.
<b>Caesarean</b>	The surgical delivery of a baby that involves making incisions in the mother's abdominal wall and uterus.
<b>Foreskin</b>	A retractable fold of skin that covers the glans of the penis.
<b>Cervix</b>	The lower part of the uterus that opens into the vagina.
<b>Womb (uterus)</b>	Where a foetus, or baby, grows.
<b>Urethra</b>	The tube that carries urine from the bladder out of the body.
<b>Fertilised</b>	When a male's sperm enters a female's egg.
<b>IVF</b>	Fertilising an egg outside the body, in a laboratory dish, and then implanting it in a woman's uterus.
