

Bespoke PSHE Support for Schools

Delivered by Health & Wellbeing in Schools Ltd

Health & Wellbeing in Schools offers a broad range of high-quality, specialist support around the health and wellbeing practice of primary schools, particularly in relation to Personal, Social, Health & Economic education (PSHEe).

Schools can select from a range of online consultancy support including:

- A PSHEe curriculum review to ensure compliance with new statutory curriculum requirements within RHE
- Signposting to appropriate curriculum resources to ensure best practice and support in mapping these into your provision
- Support to develop the role, effectiveness and impact of PSHEe subject lead in school
- PSHE education-related policy review and development service. RSE, Anti-bullying, PSHEe, Drug education.
- Parent /community engagement advice and support on PSHEe related themes

Benefits to schools:

- Specialist support on driving improvement in PSHE education and health and wellbeing provision from a dedicated advisor allocated to your school
- High-quality advice, guidance and consultancy support to SLT, governing boards and teachers around PSHEe themes
- Ensure best practice on statutory and non-statutory policies within PSHEe-related themes
- Specialist support around new and emerging priorities, such as statutory Relationships Education and Health Education at primary phase
- Advice on effective PSHEe planning and coordination, including guidance on curriculum materials and resources to enable schools to offer a comprehensive and broad programme

Further services and support around PSHEe related themes can be developed upon request.
