YR	Year Intent	Topic	Knowledge Gained & Skills Progression	Curriculum Links
Year 1	In Year 1, children build an early understanding of how to stay safe in everyday situations. They explore their existing ideas about safety across familiar environments such as home, school and the wider community, beginning to recognise situations that may involve risk and identify safe and unsafe choices. Children learn simple strategies that help keep themselves and others safe and understand how to ask a trusted adult for help. They also develop their understanding of road, passenger and pedestrian safety, including recognising safe places to cross and why these rules are important.	<b>What I Know Now</b>	<ul style="list-style-type: none"> <li>share their existing ideas about how to stay safe in different environments</li> <li>begin to recognise situations that may involve risk</li> <li>identify safe and unsafe choices in everyday scenarios</li> <li>suggest simple strategies that can help keep themselves and others safe</li> </ul>	RSHE DfE Links - Families and people who care for me; Being safe; Personal safety; Health protection and prevention

Year 2	In Year 2, children deepen their understanding of personal safety and responsibility. Using everyday examples such as learning to tie shoelaces, they begin to recognise how simple actions can help prevent accidents and develop a broader awareness of risk. Pupils learn to identify situations that may be risky, understand the difference between safe and unsafe choices, and explore rules that help keep themselves and others safe. They also consider ways to stay safe in the community and identify trusted adults who can help when needed.	<b>Tying Shoelaces</b>	<ul style="list-style-type: none"> <li>know the reasons to make sure your laces are tied</li> <li>learn how to tie up laces properly</li> <li>know rules to keep yourself and others safe</li> <li>understand the differences between safe and risky choices</li> </ul>	RSHE DfE Links - Families and people who care for me; Personal safety

Year 3	In Year 3, children broaden their understanding of safety by exploring potential risks in familiar environments, particularly at home. They learn to recognise common warning signs, identify possible dangers, and understand the difference between safe and risky choices. Pupils develop their understanding of the importance of listening to trusted adults and following guidance that helps keep themselves and others safe. Through revisiting earlier learning, quizzes and activities, children consolidate their knowledge, strengthening their understanding before progressing to more complex safety topics.	<b>Leaning Out of Windows</b>	<ul style="list-style-type: none"> <li>recognise a range of warning signs</li> <li>spot the dangers we may find at home</li> <li>know the importance of listening to our trusted adults</li> <li>understand ways we can keep ourselves and others safe at home</li> <li>know the differences between safe and risky choices</li> </ul>	RSHE DfE Links - Families and people who care for me; Personal safety; Basic first aid

Year 1	<p>In Year 1, children begin to develop an early understanding of fairness, choice and respect for others. They explore their existing ideas about how groups make decisions together and learn that everyone's voice can be heard. Pupils begin to understand what democracy means in simple terms, recognising times when people vote or choose things together. They also learn that people may think differently and begin to explore ways to make fair choices when they do not agree.</p>	<b>What I Know Now</b> <ul style="list-style-type: none"> <li>share their existing ideas about rules, fairness and how we treat others kindly</li> <li>begin to recognise why rules help keep classrooms and communities fair and safe</li> <li>identify ways they can show kindness, respect and fairness to others</li> <li>suggest simple ways they can make positive choices and help everyone feel included</li> </ul>	<p>RSHE DfE Links - <b>Caring friendships; Respectful, kind relationships; Being safe</b></p> <p>Wider PSHE Links - <b>Careers education: aspirations, learning and work</b></p>

Year 4	In Year 4, children re-establish what they already know about respect, fairness and belonging before building on this through more complex learning. They revisit how communities include people with different strengths, goals and experiences. Pupils explore the importance of recognising positive qualities in others and understanding that being different is okay. They also consider barriers that may prevent people from being treated equally and explore ways their actions can promote fairness and inclusion.	<b>What I Know Now</b>	<ul style="list-style-type: none"> <li>share and reflect on their understanding of how communities work together as they begin to explore ideas about judgement and fairness</li> <li>recognise situations where unfair judgement or discrimination may affect individuals or groups</li> <li>identify people and groups that help support fairness and respect within communities</li> <li>suggest and explain ways they can show respect for themselves and others and help create inclusive communities</li> </ul>	<p>RSHE DfE Links - Families and people who care for me; Respectful, kind relationships; Caring friendships; General wellbeing</p> <p>Wider PSHE Links - <a href="#">Careers education: aspirations, learning and work</a></p>
