Our pupils are learning about...

OUR WORLD

By the end of these modules our pupils should:

be able to recognise what you can do for yourself now you are older

be able to describe the common features of family life

understand why we should look after living things

recognise why it is important to keep our communities and countryside clean

understand different ways we can receive money

be able to describe the skills you may need in a future job or career

recognise how we can help look after our planet

identify ways in which we can help those who look after us

describe the ways in which we can contribute to our home, school, and community

understand and explain why people might want to save money

describe the potential impact of spending money without permission

be able to recognise the differences between wants and needs

and much more!
