

Our pupils are learning about...

KEEPING/STAYING SAFE

By the end of these modules our pupils should:

understand why it is important to stay safe when crossing the road

understand the differences between safe and risky choices

know different ways to help us stay safe

know rules to keep yourself and others safe

be able to recognise risky situations

be able to identify trusted adults around you

be able to recognise a range of warning signs

know the importance of listening to our trusted adults

learn how to tie up laces properly

recognise the impact and possible consequences of an accident or incident

recognise ways to manage peer pressure

explain the potential outcomes that may happen when we take risks

and much more!
