

HOAX CALLING

PETTY ARSON

TEXTING WHILST DRIVING

DEEDEE AND ENYA VISIT THE FIRE STATION

Our pupils are learning about...

FIRE SAFETY

By the end of these modules our pupils should:

understand the importance of being responsible and how our actions/choices can affect others

know what a 'hoax call' is and why it can be risky

understand why our emergency services are an important part of our community

be able to show my knowledge of fire safety to others

be able to practise simple ways of staying safe

know that even small fires can be very dangerous

be able to identify the differences between safe and risky choices

be able to explain how to stop, drop, and roll

be able to practise simple ways of finding help

understand how our actions and choices can affect others

be able to recognise how drivers can be distracted

know how to help others stay safe

and much more!
