

Case Study

Mark Croot, PSHE Lead at Forefield Junior School

'Quality resources, first-rate support.'

As a KS2 school, we have been using 1decision's PSHE resources for a number of years and, **without a doubt, it is one of the best curriculum decisions we have made.**

For many years, PSHE was being taught effectively in our school, but as a non-statutory subject, our coverage was not always clearly documented. When the statutory Relationships, Health and Sex Education requirements were introduced in 2021, it became clear that we needed to strengthen our provision and take a more strategic approach to this vital area of the curriculum.

In an ever-changing world, supporting children through a high-quality PSHE curriculum is essential if they are to develop into well-rounded, confident and safe individuals. Recommended to us by our sister school, **1decision has provided outstanding support from the very beginning.** The quality of the resources, combined with the clear progression of learning, has enabled us to deliver PSHE with confidence and consistency across KS2.

As both an English and PSHE Lead, I know how precious curriculum and planning time can be. **1decision's comprehensive resources have given me confidence that we are achieving full coverage of the statutory requirements** while also engaging pupils in meaningful discussions about the issues that matter most to them. The lessons are relevant, accessible and highly effective in helping children develop the knowledge, skills and understanding they need to navigate the world around them.

On a personal level, the **1decision team has gone above and beyond** in supporting me as a PSHE/RSHE Lead. They provide regular, relevant updates, offer high-quality webinars for subject leaders and are always available to provide individual support via email, telephone or Teams meetings. **Their customer service is exceptional,** and whenever I have had a query, I have received a prompt and helpful response.

I can honestly say that **1decision has helped me develop a genuine passion for PSHE/RSHE,** and I thoroughly enjoy driving this important area of the curriculum forward within our school. Having access to such knowledgeable and supportive professionals has made a significant difference to my confidence as a subject leader.

If you are looking for reassurance that your school is meeting all statutory RSHE requirements, while also benefiting from expert guidance and ongoing support, I **would wholeheartedly recommend 1decision.** The resources, training and customer support are second to none, and **choosing 1decision is a decision you will not regret.**

Feedback received June 2026.
